Presentation - essay written in clear error free English and consistent academic format and tone. Correctly referenced using the Harvard Standard system Evidence of wider reading.	20%	No real attempt.	Extremely poorly structured and presented, which has significant grammatical and/or spelling errors. Poor use of visuals and space. Difficult to understand direction of journey. Not maintaining consistent academic tone. Harvard Standard referencing has not been adhered to. Major errors both within the text and in the end reference list. Poor evidence of wider reading. References are not from peer reviewed academic resources.	Very poorly structured and presented, which has significant grammatical and/or spelling errors. Poor use of visuals and space. Difficult to understand direction of journey. Not maintaining consistent academic tone. Harvard Standard referencing has not been adhered to. Major errors both within the text and in the end reference list. Limited evidence of wider reading. References are not from peer reviewed academic resources.	Poorly structured and presented, which has grammatical and/or spelling errors. Poor use of visuals and space. Difficult to understand direction of journey. Colloquial, language used, needs to be more academic. Harvard Standard referencing has not been adhered to. Major errors both within the text and in the end reference list. Limited evidence of wider reading. References are not from peer reviewed academic resources.	Poorly structured and presented, which has grammatical and/or spelling errors. Poor use of visuals and space. Difficult to understand direction of journey. Colloquial, language used, needs to be more academic. Harvard Standard referencing has been adhered to. Errors both within the text and in the end reference list. Limited selection of source materials with limited evidence of wider reading. Limited references are from peer reviewed academic resources.	Adequate structure with a few grammatical and/or spelling errors in the work. Paragraphs don't always flow in a structured way and lack detail. Use of space adequate. Harvard Standard referencing has been adhered to. Some errors both within the text and in the end reference list. Adequate selection of source materials with some evidence of wider reading. References are mainly from peer reviewed academic resources.	Good- Well presented and coherently structured. Minor grammatical and/or spelling errors. Well-structured and flowed logically. Harvard Standard referencing has been adhered to. Some minor errors both within the text and in the end reference list. Good appropriate and comprehensive selection of source materials with clear evidence of wider reading. References are mainly from peer reviewed academic resources.	Very good presentation of work to a high standard. Well written with clear structure and layout. Minor grammatical and/or spelling errors. Well-structured and flowed logically. Harvard Standard referencing has been adhered to. Some minor errors both within the text and in the end reference list. Very good appropriate and comprehensive selection of source materials with clear evidence of wider reading. References are mainly from peer reviewed academic resources.	Excellent presentation of work to a very high standard. Excellent structure and clear use of space. Written in clear and error free English. Language is clear and precise, excellently constructed narrative. Harvard Standard referencing has been adhered to. Referencing is free of errors both within the text and in the end reference list. Excellent appropriate and comprehensive selection of source materials with clear evidence of wider reading. References are from peer reviewed academic resources.	Outstanding presentation of work to a very high standard, Outstanding structure and clear use of space. Essay is written in clear and error free English. Language is clear and precise, outstanding constructed narrative. Harvard Standard referencing has been adhered to. Referencing is free of errors both within the text and in the end reference list. Outstanding appropriate and comprehensive selection of source materials with clear evidence of wider reading. References are from peer reviewed academic resources.
Theories- Demonstrate knowledge and understanding of the concepts discussed during the module	20%	No real attempt	Demonstrates no real knowledge or understanding of key concepts of sustainable leadership theories. Failed to meet requirements of the criteria with basic	This work demonstrates seriously inadequate and flawed knowledge and understanding of key concepts of sustainable leadership.	This work demonstrates poor knowledge and understanding of key concepts of sustainable leadership theories.	This work demonstrates limited though sufficient knowledge and understanding of sustainable leadership theories. Information presented clearly but some irrelevant information.	This work demonstrates adequate knowledge and understanding of sustainable leadership theories, with some limitations.	This work demonstrates evidence of sound knowledge and understanding through the identification of key sustainable	This work demonstrates strong knowledge and understanding of the key concepts of sustainable leadership theories. Demonstrate very		This work demonstrates an extremely thorough knowledge and understanding of the key concepts of sustainable leadership theories.

			understanding of the module.	Inaccuracies in understanding of key areas of knowledge relevant to the work.	It demonstrates a limited understanding of the theories with little use of source material. Flawed understanding of key areas of knowledge relevant to the work.	A limited, insufficient and/or inaccurate understanding in key areas of knowledge relevant to the work.	Theory related to reflections. Source material used and information presented logically. Demonstrates adequate understanding of module . An acceptable and substantiated demonstration of understanding in all key areas of knowledge relevant to the work.	leaderships theories. Demonstrate a good understanding of the theories with some limitations. Clear use of source material. Information clear and presented logically. Demonstrates good understanding of module. A proficient, clearly stated and analytical demonstration of understanding in all key areas of knowledge relevant to the work.	good understanding of relevant theories. Evidence of the use of wider source material. All information presented clearly and relevant. Demonstrates very good understanding of module..	This work demonstrates an excellent knowledge and understanding of the key concepts and principles of sustainable leadership theories. Demonstrate excellent understanding of relevant theories. Evidence of the use of wider source material All information presented clearly and relevant. Demonstrates excellent understanding of module.	Demonstrate outstanding understanding of relevant theories. Evidence of the use of wider source material All information presented clearly and relevant. Demonstrates outstanding understanding of module. An outstanding critical and complete demonstration of understanding in all key areas of knowledge relevant to the work.
Analysis- The ability to develop an argument and critically reflect on alternative debates and thinking. (20)	20%	No real attempt	Very poor or no evidence of research and the ability to discuss fundamental concepts.	A limited and weakly descriptive and/or narrative account, with no evidence of analytical content and/or significant inaccuracies in understanding of key areas of knowledge relevant to the work. Little or no evidence of research and the ability to discuss fundamental concepts.	A poor and descriptive and/or narrative account, with little critical and/or flawed understanding of key areas of knowledge relevant to the work. Insufficient evidence of ability to discuss fundamental concepts.	A limited and/or insufficient engagement with relevant academic sources. Limited understanding in key areas of knowledge relevant to the work. Insufficient evidence of ability to integrate and analyse concepts to provide a valid discussion.	Adequate -An acceptable and substantiated demonstration of understanding in all key areas. Evidence of the ability to integrate and analyse diverse concepts in a reasoned and valid argument and discussion.	Good- A proficient, clearly stated and analytical demonstration of understanding in all key areas of knowledge relevant to the work. Evidence of the ability to integrate and analyse diverse concepts in a rational and logical argument and discussion.	Very good good, critical and organised demonstration of understanding in all key areas of knowledge relevant to the work. Evidence throughout of the ability to synthesise and interpret diverse concepts to provide a sound argument and discussion.	An excellent, critical and systematic demonstration of understanding in all key areas of knowledge relevant to the work. Evidence throughout of the ability to synthesise and interpret complex concepts to provide a compelling argument and discussion.	An outstanding critical and complete demonstration of understanding in all key areas of knowledge relevant to the work. Evidence throughout the work of a sustained ability to synthesise and interpret complex concepts, to make inferences and to provide an original and/or compelling argument and discussion.
Reflection- Appropriate use of recognised reflective	40%	No real attempt	Very poor use of reflection and theory. Very poor knowledge	Poor use of reflection and theory. Poor knowledge and use	Limited use of reflection and theory . Limited knowledge	Demonstrated acceptable reflection and theory	Demonstrated adequate reflection and theory.	Good use of reflection and theory. Good use of the	Very good use of reflection and theory Very good use of the	Excellent use of reflection and theory Makes effective use of	Outstandng use of reflection and theory Makes effective use of
